June 2023, Thruxton race circuit ... An exciting, long awaited weekend, The Mini Miglia's racing alongside the British Touring Car Championship at Thruxton race circuit !

Qualifying went well, Nick put the mig 13th on the grid..... Race 1 went well, although not the best start ever made - a nice fast clean race on this super-fast circuit, bringing it home in 11th

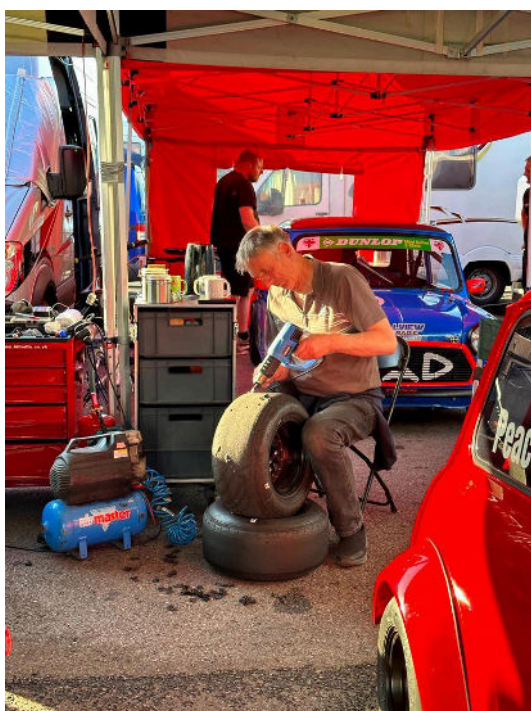

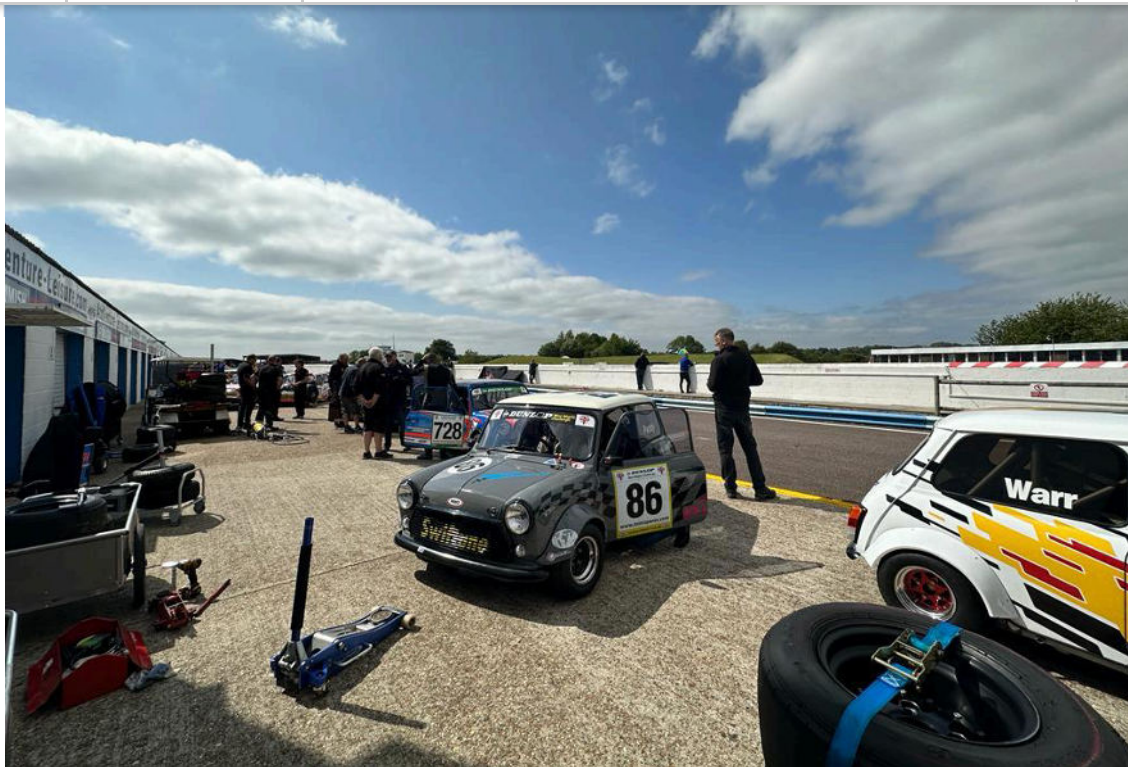

Some spare time between races, Steve decided even though the car seemed fine to Nick, to take bits off, check, tighten and make sure it was the best it could be for race 2 - the man is relentless !

Race 2 - Nick had a much better start and had a good twenty minute battle with Rob Howard and Kieren McDonald seeing him finishing in 10th ! All in all a great weekend, the car back home with no damage, again our Swiftune engine performing faultlessly and Bills setup on the car superb.

So the only failure all weekend was our V-Box, we have no footage of either race ! Annoyingly it recorded testing perfectly on Friday so we will put up a little bit of that on YouTube later in the week

Sponsored by our favourite Mini guys - Playmini also by Pink Construction (www.pinkconstruction.biz) and Sanwa Trading - Japans leading Mini specialist (www.sanwa-trd.co.jp)
